IPMA-Canada ... national presence, national voice, international connections. IPMA-Canada is a national human resources association with eight Chapters and members in all provinces. We are globally connected through our affiliation with other IPMA associations throughout the world. Our mission is *to promote excellence in the practice of human resource management*. We aim to provide a wealth of professionally recognized programs and services that are designed to meet the certification standards, professional development expectations and communication needs of Human Resource (HR) practitioners across Canada.

President's Award

The President's Award is *IPMA-Canada's highest award* and is presented to an individual who has made an outstanding contribution to the practice of human resources management in Canada.

The recipient need not be a member of the association or be in the public service but could be in any field such as an author, consultant, activist, union leader or politician.

This award could be *compared* to the granting of an *honorary Doctoral degree by a University*.
