

Manitoba Chapter Report 2009

The Chapter has continued to support the five strategic areas established by the National Executive, with a chapter focus on:

- Improving Service to Members
- Increasing our Membership

Successful PD events included:

- Breaking New Ground: The Work/Life
- Balance Initiative in Manitoba Agriculture,
- Food and Rural Initiatives
- Promoting Fairness in Government Decision
- Making
- Workforce Demographics MB Issues

Participation in the local chapter is declining and our priority needs to be on finding out what will attract new members and to bring lapsed members back.

The Chapter remains in solid financial shape
