

NCR Chapter Highlights April 2009

The NCR Chapter focus this year was to provide a comprehensive professional development program on the following topics:

- Strategic HRP
- Organization Design
- Leadership without Stress
- Human Resources : A Strategic Partner through Engagement

Through these events the Chapter increased its membership by 24 new members.

NCR continues to have significant retirements and churn in the federal government HR Community.

The Chapter continued its awards program offering the Thomas G Morry Award in June 2008. Tom Morry passed away this year as did John Carson and Bill Green, all honorary life members. They will be missed.

Chapter is in solid financial shape.
