WORKSHOP FOLLOW UP: "EVOLVING ORGANIZATIONS THROUGH COACHING"

As a follow up to last week's professional development opportunity Janelle Doan and Diane Allain have selected two articles - *Smart Coaching* and *Coaching Skills Assessment – Self and Organization* - attached for your review. The workshop provided an opportunity for participants to learn valuable techniques, to engage in discussions and to interact with fellow HR practitioners around the topic of coaching and its importance in the workplace. Diane and Janelle would be happy to take calls/emails from you if you want further information or have questions: Diane Allain ~ 506-743-1900 ~ diane@evolutionconsultinggroup.ca; Janelle Doan ~ 506-472-6622 ~ jdoan@thefgroup.ca
